## SO MUCH SPACE & SO MUCH VALUE!

Enjoy the acreage lifestyle with the minimum of effort as the pool and garden maintenance are included in the rent and this one even has scheme water!

The benefits of rural living in a 'suburban' location make this soooo attractive.

The generous 4 brm 2 bthm residence sits at the end of a bitumen driveway and overlooks the whole 3 acres. With 3 separate living areas there's no need to worry about being on top of each other while outside the fabulous extensive lawned area comes with an impressive pool and spa, fruit trees and a massive drive in workshop. With a bore watering the gardens the scheme water to the home means you'll never run out of water!
