EASY LIVING AT IT'S BEST!

Fresh and clean, it's a rental DREAM. So easy to look after, this is a box ticker!! No gardening, no unused rooms to clean and conveniently positioned with a park just across the way.

A BIG PLUS IS, it's just metres to the local Kindy or an EASY bike ride to the Primary and High schools.

You may not need the car! Walk the little one(s) to Kindy just across the road then hop on the bus to Aubin Grove train station... how good is that?!

Combine the benefits of low maintenance and convenience, to SAVE money! Hurry before it gets snapped up!
