The stunning interior makes this fabulous property look just like a DISPLAY home!! Few like this become available so now is not the time hesitate. It's tranquil location and excellent neighbours tick the first of many boxes on your wish list and the list of features inside is too long to mention.

The minute you walk in you'll feel that this is 'home' and it's almost impossible to find fault with it. The bonus of solar panels, a workshop under the main roof and a fully equipped theatre room should whet your appetite.

Easy to maintain and totally private its time to stop reading and call Brian Devereux 0418959219 and secure your appointment before its too late!
